

SERIAL DIVERS × NOX DIVING
ST BARTS

Freediving *with* Nox Diving

November 27 – December 13, 2026

Nox Diving is back in St Barts for freediving sessions with SERIAL DIVERS, led by a **PFI instructor trainer**. Curious beginner or experienced freediver, learn to breathe, let go and explore the wild, preserved sites around the island on a single breath, without a tank, in complete freedom.

What's on offer

- Introduction for beginners, half-day or full day
- Coached training sessions to improve your skills
- PFI Basic Freediver and PFI Freediver courses
- Private sessions: breathing and static, sea session or full day
- Small groups, professional and caring instructors
- High-end equipment provided

> *Freediving is more than a sport: it is a way of life.*
